

# Dungeon Flora

1	<b>Ale-Fond:</b> Slimy Residue seems to seek out Alcohol, some like the Taste	51	<b>Immure Roots:</b> Life-like Woody "Arms" grow outward from Walls, quite startling
2	<b>Angry Archer:</b> Hand-shaped Growths, inevitably missing a Finger	52	<b>Jarcloud:</b> Frost-like Purple Mold that clings to Glass wherever it's found
3	<b>Ash Fern:</b> Found in Hearths/Fireplaces, Fiery Orange/Red with Blue Tips	53	<b>Kalfer's Salt:</b> White, almost Crystalline Powder found on Pots and Pans
4	<b>Banshee Lace:</b> White and Diaphanous, swear you can hear it Moan softly	54	<b>Knee Blush:</b> Hairy fronds that like Growing Under Tables/Chairs
5	<b>Bat Blossom:</b> Pale Pink Flowering Plant, grows atop mounds of Guano	55	<b>Kobold Comb:</b> Toothy, Coral Like Fungus, smells a bit of Wet Dog
6	<b>Blackfrond:</b> Fern that flourishes where Undead have Stepped	56	<b>Liar's Bean:</b> Succulent, often concealed among Gravel, a mealy emetic
7	<b>Bloody Tusks:</b> Resembling Sharp Ivory, actually spongy and wilt at a Touch	57	<b>Lich Whiskers:</b> Usually found on the Jaws of Skulls, Transparent Tendrils
8	<b>Blue Foamer:</b> Glop of Grey Detritus, swells bright Blue and bubbles if Wet	58	<b>Lipstain:</b> Sometimes chewed by Dwarfs, dyes lips/beards Blue for a week
9	<b>Bonemuncher:</b> Grows on Skeletons, Delicate Navy Lichen sheets	59	<b>Little Monk:</b> Adorable Tonsured Mushrooms, sometimes found in Procession
10	<b>Bookbane:</b> Blue Splotches on Parchment/Vellum/Papyrus, <i>Detect Magic</i> kills it	60	<b>Lungweed:</b> Pale violet grasses that grow near sources of Fresh Air/Breeze
11	<b>Brainstools:</b> Look like Brains, glow around ESP/Mind Affecting Spells	61	<b>Meeksnut:</b> Dribbles slowly from Ceilings, seems to always find Bare Necks
12	<b>Brick Blisters:</b> Flesh colored, aptly named Mold that grows on Masonry	62	<b>Merkin Moss:</b> Grows on Certain Areas of Statues. Gargoyles find it Fashionable
13	<b>Bug Buster:</b> Cordyceps, specializing in Insects of the Giant Variety	63	<b>Mite Bowls:</b> Concave Thimble-like Caps hold droplets of Moisture
14	<b>Candle Cap:</b> Look like Waxy/Dripping Candles, positively Fire Resistant	64	<b>Moon Shy:</b> Mushrooms with White Crescent Markings on deep Blue Caps
15	<b>Century Nut:</b> Legume takes a long time to grow, tastes absolutely Awful	65	<b>Never-Kiss:</b> Found on Walls, resembles Pale, Shiny, and Luscious Lips
16	<b>Chain Weaver:</b> Thorny Tendrils that love to Braid themselves into Chains	66	<b>Numb Pillow:</b> Velvety Moss, sometimes Paralyzes Mice who linger too long
17	<b>Chatter Caps:</b> Nibbled by Rodents, said to grant them 1 Word of "Speech"	67	<b>Ogre Mutton:</b> Resembles a wooly Sheep Shank, only Ogres can stomach it
18	<b>Coffin Handles:</b> Grow on Caskets, large sturdy Chocolate colored Shelves	68	<b>Orcbraid:</b> Ropey, Tangling Tan Roots that seem to Knot around themselves
19	<b>Common Belcher:</b> Nondescript Puffballs, prone to "Burp" softly if disturbed	69	<b>Pixie's Pipe:</b> Stem and Bowl, rather Small produces a Spore Cloud if Blown
20	<b>Corner Clot:</b> Stains the joints of Chests/Boxes a Deep Indigo Color	70	<b>Plever's Toes:</b> Sprout down from Ceilings in groups of Five, woody "Toe-nails"
21	<b>Corpse Cushion:</b> Said to Sprout at the scene of Cleric Deaths	71	<b>Reache's Noodle:</b> Flat, Ribbon like Green strips with small Blue buds
22	<b>Crimson Creeper:</b> Vines with Red Leaves, somehow survive without Light	72	<b>Ringwool:</b> Fuzzy white fluff, generally found on Door Hardware
23	<b>Cringe Curtain:</b> Slimy Salmon Sheets drape down from Doorways/Arches	73	<b>Rope Scum:</b> Colonizes and renders the surface of Ropes quite Slick
24	<b>Defacer:</b> Crimson Mold that grows on Tapestries, obliterating the Stitching	74	<b>Rot Mother:</b> Globular transparent Mass, with Ribbon like Fronds
25	<b>Dragon Moss:</b> Emerald Green, Wispy Smoke-like Tendrils as it looses Spores	75	<b>Rue Glove:</b> Grows in shiny Necklace Shapes on Floors, stains hands Black
26	<b>Dream Wax:</b> Those who Sleep near this Black Lichen dream of Cozy Warmth	76	<b>Rug Worm:</b> Eats Greasy Holes in Rugs/Carpets, leaves them quite Damp
27	<b>Elfbeard:</b> Droops in scraggly pale Grey clumps from Ceilings and Archways	77	<b>Rune Pedant:</b> Spidery Red Lacey Fungus, Corrects Spelling/Grammar Errors
28	<b>Enda's Ears:</b> Mocha Colored Shelf Fungi, usually grow in pairs head-high	78	<b>Rusty Squire:</b> Unbecoming Orange Moss that tends to grow on Scabbards
29	<b>Fairy Wattle:</b> Bright Blue, like a Coxcomb, at home on Sculptural Elements	79	<b>Scab Grass:</b> Deep Red and moist, Tufts seem to sprout where Blood Spatters
30	<b>False Porridge:</b> Brown, Oatmeal Like Colony, tends to coat and polish Copper/Brass	80	<b>Scarab's Saloon:</b> Black Beetles defend this Mushroom Voraciously
31	<b>Featherfew:</b> Resembles a Bird-Wing, Shelf Fungus grows low to ground	81	<b>Shrine Seeker:</b> Small spots of Moss in the shape of incorrect Holy Symbols
32	<b>Fedrin's Coil:</b> Spiral Colonies of bulbous, grub-like Mushrooms	82	<b>Sighing Sap:</b> Violet Clots Ooze from Wood with a soft sound near Heat
33	<b>Fool's Path:</b> Slick Green Trails meander along Floors into Walls, about dagger-wide	83	<b>Skunk Moss:</b> Invariably striped, you get used to the Smell
34	<b>Frowners:</b> Toadstools with distinctive "Angry Face" markings on Cap	84	<b>Sludgewort:</b> Gutters and Spouts get Clogged with this Hair-like Mass
35	<b>Gallow-weed:</b> Carnivorous. Little Noose-like Loops Trap, Suspend Ants/Insects	85	<b>Slugbait:</b> Puffy Orange Spheres, about Coin-sized, Tremble if Touched
36	<b>Gaol Orchid:</b> Delicate and Beautiful, withers/melts when exposed to Light	86	<b>Soup Stalk:</b> Narrow Mushroom, smell of Chicken Broth if broken, mildly Toxic
37	<b>Gemcap:</b> Dull despite their Name, faceted fruiting bodies of a Red Shroom	87	<b>Sour Stopper:</b> Wrinkly Mushroom, often used as Corks, impart bitter taste
38	<b>Ghost Swarf:</b> Curly dull-silver Shavings found in water-logged Wood	88	<b>Spell Sprout:</b> Blue Mushrooms, grow at the site where a Spell was once Cast
39	<b>Gill-Root:</b> Wispy Red Branches, like an Axolotl's Neck, found near Puddles	89	<b>Spew Berries:</b> Bright Yellow Drupes on sickly Brown Vines, induce Vomiting
40	<b>Gloomlight:</b> Luminescent to Goblins/Orcs, otherwise fuzzy Black Nodules	90	<b>Spiny Welcher:</b> Bromeliads that favor Sconces, tough to Remove if Rooted
41	<b>Gobby Dangler:</b> Stringy Green tendrils Hang, each tipped with snot-like Glob	91	<b>Spoil-Drink:</b> Scummy Blue Algae that coats the surface of Fresh Water
42	<b>Grave Bark:</b> Grows very fast on Marble, thick coating in a few weeks	92	<b>Tablefroth:</b> Foamy, spittle like Slime that tends to colonize Corners
43	<b>Greasil's Cap:</b> Sticky Mushrooms, sprouting from Masonry Joints	93	<b>Tear Nettle:</b> Spiny nodules with a drop of Sticky Liquid: Catch Gnats
44	<b>Gruescale:</b> Withers dull Black in Light, nacreous Mold in Infravision	94	<b>Throatwoe:</b> Unappetizing Spiked Mace-like Mushrooms
45	<b>Hag's Leg:</b> Lime colored Moss, favors Wooden Furniture, pools at Legs	95	<b>Toe Haze:</b> Patches of Grey Moss, when trampled exude Mist-like Spores
46	<b>Hide Smut:</b> Infests Leather/Skins with an itchy Puce Powder	96	<b>Tomb Rattle:</b> Dried Seed Pods sometimes Rustle unexpectedly
47	<b>Hin Step:</b> Rumors say it grows where Bare Halfling Feet tread: Heliotrope Moss	97	<b>Tun Yeast:</b> Used by Goblins to Brew Beer, found on Barrels, Body Odor Smell
48	<b>Hitcher:</b> Clever Burrs that can be a right pain to get out of Cloaks/Fabrics	98	<b>Twig Apple:</b> Brittle and Dry, roll about like Tumbleweeds in any Breeze
49	<b>Hoard Leer:</b> Pale Puffballs with colored "Pupils" Legend says they stare toward Gold	99	<b>Updrip:</b> Climbs Walls <i>above</i> Spouts and Puddles, snaking slick Turquoise
50	<b>Hush Boot:</b> Moss said to quiet Footsteps when lined in Shoes, dubious efficacy	100	<b>Warp Sludge:</b> Try to avoid, it ends up coating the Soles of Shoes anyway
